

What or “Who”
to expect?

Our training will lead you to a deeper intimacy with God. Out of that inner life, we will then show you how to share His life with people you love.

Although you will learn some skills during the eight-month ADT, the emphasis will be upon encountering God and serving others out of an overflow of His life and love within you.

“...that others may live!”

What is the ADT?

The purpose of the Advanced Discipleship Training Internship (ADT) is threefold:

1. To provide a more comprehensive knowledge and understanding of the exchanged life truths as taught in the Scriptures.

2. To provide an increasing appropriation of these truths, revealing a transformed character manifested in a daily walk of dependence on the indwelling Christ.

3. To equip each student with skills for living and communicating these truths in reliance on the power of the Holy Spirit.

The ADT Internship prepares an individual to lead people to appropriate their identification with Christ and then apply that truth to specific areas of life.

The Curriculum includes:

- APPROXIMATELY 66 HOURS OF DVD AND AUDIO INSTRUCTION
- REQUIRED READING OF 10 ASSIGNED BOOKS & 6 BOOKLETS
- 25 HOURS OF COUNSELING OBSERVATION AND SUPERVISED COUNSELING
- 30 HOURS OF CLASSROOM INSTRUCTION WITH CLI STAFF
- SCRIPTURE MEMORIZATION
- WRITING A RESEARCH PAPER
- MID-TERM AND FINAL EXAMS
- STAFF SUPERVISION AND PERSONAL COUNSELING SESSIONS

Testimonies

The counseling I received had the biggest impact because it uncovered some lies that had been planted in me at a very early age. God set me free to be who I uniquely am in my union life with Christ. -Linda P.

The ADT has impacted my life in many ways. In every lecture, I've learned something new or had a concept reinforced. My spirit rejoices! I have enjoyed the times with my supervisor and my counselor,

and I feel a kinship with others in the class. The books were wonderful, proclaiming the truths of the exchanged life. I learned how important my identity in Christ is. It is so much more than I had ever realized! -Linda W.

We came to the ADT expecting to gain all the academics for training in discipleship.

We weren't expecting the "grandiose experience" we had with Christ! God revealed Himself to us, freed us from issues which held us in bondage for many years, and brought healing. What an awesome experience! We would recommend CrossLife's ADT to anyone who wants to deepen their relationship with Christ, knowing that as you leave, Christ in you will share these life lessons with hearts in need. -Jim and Mary Kay
