## How to Host the Christ Life Seminar

Would you like to make available to your congregation a vibrant and exciting seminar that is truly life transforming? Would you like to join them in an experience that will inspire, bring hope, and set people free?

Through the Christ Life Seminar, God has ministered mightily to thousands of Christians, bridging the gap between a defeated or frustrating Christian life to the abundant, meaningful, joyful life God intends for His children. This is a very effective tool in coming alongside pastors to help equip believers to walk in new vitality as they come to understand the Christian life as it's meant to be lived: *"I have been crucified with Christ, it is no longer I who live, but Christ lives in me..." Galatians 2:20*

*"A divine appointment! Truly the message is life transforming. Many pastors share with me the desire to bring this message out to the people of the Philippines. If I could have one seminar, this would be it!"* Pastor Felito Pon, Bohol, Philippines

## The “Christ Life”

Many Christians today are exhausted because they understand the Christian life to be primarily a life of service for God. Sooner or later, the treadmill of performance gets to be too much and Christians begin to ‘drop out’ of ministry or church. They have not understood that the Christian life is not primarily about service for God, but intimacy with God. The saving life of Christ and practicing the presence of God is living life as God intended.

[CrossLife International](#) is here to partner with you in ministry by presenting this seminar and seeing God transform His people as they embrace the spiritual exchange!

[CrossLife International](#) is a non-profit Christian ministry offering counseling, leadership training and worldwide missions. Founded in Vero Beach in 1986, our purpose is to help Christians discover who they are in Christ, how to live the abundant life Jesus promised (John 10:10) and how to impact their world with the message of the cross so that all may know Christ as Savior, Lord, and Life (Matthew 28:19b). [It is our desire to assist the local church and be a blessing to you!](#) Please don’t hesitate to call us if you have questions, or if we may be of assistance to you.
