

CrossLife Goes to the Nations!

**A letter to Don Burzynski, CrossLife International from Pastor Felito Pon in the Philippines,
January 23, 2009**

Hi Pastor Don,

I received the books and check today and I thank you for the love you have shown on us here. I earnestly pray and work on our plan to hold the **Live Victoriously Seminar** here in the islands of **Bohol and Mindanao**. During the last two weeks, I traveled around the island of Bohol talking and promoting our Seminar with the pastors and key church leaders. I am also inquiring about the possibility of having a third conference in **Gen. Santos City** in the southern part of Mindanao. Of course we would need the finances to do this. I humbly desire for your prayers for my travel as I converse with pastors and church leaders there.

I'm excited about this Pastor Don. **I cannot over-emphasize the importance of this Live Victoriously Seminar in the Philippines and throughout the Asian region and the world because its life-transforming message is exactly what is needed in the Body of Christ here in the Philippines.** The Christians here are becoming carnal and worldly and the life of Jesus is not being lived out. The church needs to be transformed and renewed and the believers must be awakened to the truth that it is not by serving for the Lord trying to please Him through performance basis but by RECEIVING, EXPERIENCING, and LIVING OUT THE LIFE OF JESUS in us and though us that we could say with the apostle Paul in Galatians 2:20, "I am crucified with Christ, nevertheless I live yet not I but Christ liveth in me; and the life which I now live in this body, I live it by faith in the Son of God who love me and gave Himself up for me."

I appeal to Christians in the States. Any true brother or sister in the Lord over there should be encouraged to prayerfully and financially support generously this life-changing seminar, because of its eternal investment. **This is a very strategic ministry when we bring this Live Victoriously Seminar to these church leaders.** After the seminar, the pastors and church leaders will bring the life-transforming message to their respective denominations and local churches. A pastor said who attended your Bohol Conference in 2007 said, "My life has been transform even my outlook in the ministry as a pastor. It has revolutionized my whole being, who for the past years of my Christian life, had been trying to serve for and please the Lord through my own effort, until I attended the Conference that really make me a brand new Christian and living in His grace and life."

I am studying the **CrossLife Advanced Discipleship Training Program** through your mentoring me with books, materials and CDs. I am excited about our joint vision to be able to nationally coordinate and facilitate future training conferences through 'CrossLife International, Philippines'!

There may be **100 to 150 pastors and church leaders attending each seminar.** They come from different evangelical denominations and from far-flung areas, and they need financial aid to be able to attend this life-changing training seminar. Each seminar will cost about Eighty Thousand Pesos, which covers the three days and three nights' meals, snacks, handouts and materials, space rentals, and transportation for the participants. Your airfare and mine from Manila to Bohol and from Bohol to Mindanao are not included yet.

I am so grateful to God for you, Pastor Don. Thanks a lot for your help and prayers. I and Cora, my wife are really looking forward to working with you here in the Philippines. We love you so much in Christ.
In Christ's love,

Felito B. Pon
