The ChristLife Seminar is based on the Exchanged Life way of living described by Hudson Taylor, utilize a unique approach in sharing with hurting people the truths of the abundant life in Christ through the truth of the cross. Christ-Life Seminar brings a unique approach in that it focuses not on *change*, but on an *exchange*. Jesus Christ has made a great exchange in each of our lives that enables us to live victoriously, to live in victory over sin, and to experience the abundant life right here and now. That is life as God intended.

The seminar will take Christians to a deeper application of Galatians 2:20 "I have been crucified with Christ; and it is no longer I who lives, but Christ lives in me; and the life I now live in the flesh I live by faith in the Son of God, who loved me and delivered Himself up for me."

Christians seeking a deeper spiritual relationship with Christ will learn to identify false beliefs and begin to live in their true identity in Christ.

Lay- Counselors, and Lay Chaplains will benefit by learning to help others apply the exchanged life principles in personal situations.
