You're Invited to attend the Christ Life Seminar

*Too many Christians
are living defeated lives.*

We face pressures every day: financial, relational, physical, emotional. We love God with all our hearts, we love our families, and we're trying to do the very best we can under the circumstances. But we're exhausted!

We've been taught that the Christian life is one of service for God, and He is certainly worthy. However, sometimes we ask; have we done enough? We begin to question ourselves, our faith, our identity — even our God!

Introducing The Christ Life Seminars!

Many Christians have a faulty understanding of their identity and of what God expects of them as Christians. Too often, life seems like more of a struggle than a joy.

But Jesus said He came that we might have "abundant life" (John 10:10).

Experiencing The Saving Life of Christ is possible when you discover:

- Your true identity in Christ
- How God has designed you to function

Through this Seminar, you will discover:

- God's greatest purpose for His children
- The "other half" of the gospel, so vital for living the Christian life
- The difference between life "in Adam" and life "in Christ"
- God's purpose for brokenness, as well as how to walk in victory every day of your life
- How to respond to temptation and deal with emotions
- What "the normal Christian life" really is!

"I have been crucified with Christ, it is no longer I who live, but Christ lives in me..." Galatians 2:20a

These dynamic, eye-opening seminars provide an opportunity to gain an understanding of how conflicts and enslaving habits develop and how they may be resolved through discovering Jesus Christ as our life.

...and the life I now live in the flesh, I live by the Faith of the Son of God, who loved me and delivered Himself up for me. Galatians 2:20b
